The value of the portfolio will be affected by market conditions and the performance of the underlying securities. Past Performance is not indicative of future returns. Clients are not being offered any guaranteed returns.

1. Redemption price is net of applicable exit charges in case of redemption before the maturity of the fund.

2. Offer price represents NAV per unit

3. Backend on redemption price would apply based on the holding period of each unit holder.

^. Returns for Money Market, Income, Aggressive Fixed Income, & Debt (Conventional and Islamic) are annualized while for all other categories, the stated returns are absolute.
